Subject: April Fools Claim CMC264721
Reference: Your Certified Mail dated August 24, 2017

Dear Ranger Voorhis,

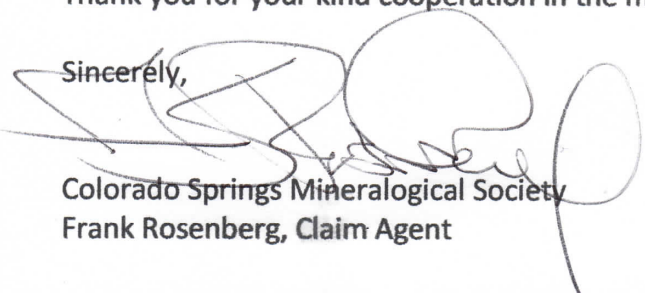

This is in response to the referenced correspondence and to confirm our phone conversation of today's date.

Yesterday, I filled in and graded a number of dig sites on the subject claim. There still remain a small number of dig sites to be filled.

I will be out of town until October 8th. Upon my return, I will fill in the remaining dig sites. At that time, I will request your office make an inspection of our claim and request the opportunity to accompany you on said inspection.

Thank you for your kind cooperation in the matter.

Sincerely,

Colorado Springs Mineralogical Society
