**RE: Sprague Stone, DRMS Permit No. M-2015-006  
Active Mining Areas Request and Financial Warranty Increase (SI01)**

Dear Mr. Sprague,

The Colorado Division of Reclamation, Mining, and Safety (Division) received a letter from Coffey Engineering and Surveying regarding the above referenced site on October 13, 2017. Overall the intent of the letter was to notify the Division that the mining operation was going to begin opening parcel numbers 18, 27, 28 and 32 as approved and shown on the Exhibit F.2 map approved with the 112c Permit application. Also provided was additional financial warranty in the form of a check for \$8,461.20.

Thank you for notifying the Division with your intent to move into these additional area and for submitting the required increase in financial warranty. I have enclosed a form for the additional financial warranty that must be completed and returned to our office to complete your request. For our tracking purposes we have assigned this request a revision tracking number SI01.

If you have any questions feel free to contact me at (303) 866-3567, extension 8120 or Barbara Coria at extension 8148.

Sincerely,

Jared Ebert
