**Re: Golden Eagle Mine (Permit No. C1981013)
Administrative Revision No. 1 (AD-01)
Correct Permit Acreage**

Dear Mr. Head:

Enclosed you will find the Division of Reclamation, Mining and Safety's Decision Form for Administrative Revision No. 1 at the Golden Eagle Mine.

This revision updated the permit acreage in the Division's Permit System to reflect the appropriate value of 3.0 acres. In the past, Division staff set this value at 1.2 acres, which is the disturbed acreage, but is not the correct permit acreage.

If you have any questions, please contact me.

Sincerely
