Dear Mr. Schenderlein,

On October 13, 2017, the Division denied the 112 Construction Materials Reclamation Permit Application for the Irwin/Thomas Mine, File No. M-2016-054. The Applicant has indicated they would like the Mined Land Reclamation Board (Board) to consider this matter as soon as possible. The next regularly scheduled Board hearing will occur on November 16, 2017. In order for the Board to consider this matter at the November hearing, the Applicant will need to file a petition for appeal pursuant to Rule 1.4.12(a). The petition for appeal must be submitted within 10 days of receipt of the letter of denial (October 23, 2017). The petition for appeal must include the information specified under Rule 1.4.11(1)(d) and/or Rule 1.4.12(a). If the petition for appeal is not received by October 23, 2017, then the matter will be scheduled before the Board at a later date.
