STRUCTURE AGREEMENT FOR PERMIT M-2013-006

This letter has been provided to you as the owner of a structure on or within two hundred (200) feet of a proposed mine site. The State of Colorado, Division of Reclamation, Mining and Safety (Division) requires that where a mining operation will adversely affect the stability of any significant, valuable and permanent man-made structure located within two hundred (200) feet of the affected land, the Applicant shall:

Be held responsible and provide compensation for any and all damages caused by the operator to the structure of the surrounding property.

The Colorado Mined Land Reclamation Board ("Board") has determined that this form, if properly executed, represents an agreement that complies with Construction Materials Rule 6.3.12(a), Rule 6.4.19(a), and C.R.S. § 34-32.5-115(4)(e) and with Hard Rock/Metal Mining Rule 6.3.12(a), Rule 6.4.20(a), and C.R.S. § 34-32-115(4)(d). This form is for the sole purpose of ensuring compliance with the Rules and Regulations and shall not make the Board or Division a necessary party to any private civil lawsuit to enforce the terms of the agreement or create any enforcement obligations in the Board or the Division.

The following structures are located on or with 200 feet of the proposed affected area:

1. Power poles and lines

CERTIFICATION

The Applicant, BOWER BROTHERS (print applicant/company name),
by BUD BOWER (print representative's name), as PRESIDENT (print
representative's title), does hereby certify that YAMPA VALLEY ELECTRIC ASSOCIATION, INC (structure owner) shall

be compensated for any damage from the proposed mining operation to the above listed structure(s)

located on or within 200 feet of the proposed affected area described within Exhibit A, of the Reclamation

Permit Application for RNP ENTERPRISES, INC (operation name),

File Number M-2013-006.

This form has been approved by the Colorado Mined Land Reclamation Board pursuant to its authority under the Colorado Land Reclamation Act for the Extraction of Construction Materials and the Colorado Mined Land Reclamation Act for Hard Rock, Metal, and Designated Mining Operations. Any alteration or modification to this form shall result in voiding this form.
