RE: London Mine; DRMS File No. P-2016-020; Notice of Receipt of Application (MD-02)

Dear Mr. Harrington,

On October 23, 2017 the Division of Reclamation, Mining and Safety (Division) received your Notice of Intent to Conduct Prospecting Operations (NOI) Modification application. The NOI Modification was considered to be submitted on October 23, 2017. The Division posted the non-confidential form (Form 2) on the Office website on October 25, 2017 in accordance with the requirements of Rule 5.1.3. Any public comment or request for disclosure of information designated as confidential regarding the NOI must be received by the Office no later than ten (10) working days after the notice was posted on the Office website (November 8, 2017).

The Division will begin its review of the NOI and will contact you within twenty (20) working days of the posting date (November 22, 2017) regarding any deficiencies or if the review indicates the proposed operations are considered to be mining, rather than prospecting.

If you have any questions, you may contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham  
Environmental Protection Specialist
