Re: Mayday Idaho Mine Complex

Dear Mr. West,

The Board of County Commissioners of La Plata County submitted comments to the Colorado Division of Reclamation, Mining and Safety regarding the Mayday Idaho Mine Complex, Permit No. M-1981-185, 112d-2 Amendment by letter on June 27, 2017. The County received notice in a letter dated July 12, 2017 that the letter was being considered as an objection to the permit amendment and the County would be treated as a party accordingly. This letter is to notify you that the County would like to have their comments treated as general comments rather than an objection. Please feel free to contact the County with any questions or for further clarification. Thank you for your consideration of our comments.

Sincerely,

Brenna Kampf, Planner II  
La Plata County Planning Department
