Public Notice
CAM MINING LLC, 2352 N. 7th Street, Unit B, Grand Junction CO 81501, has submitted a complete application for a technical revision to the Division of Reclamation, Mining and Safety for its Munger Canyon Mine, Mining and Reclamation Permit No. C-1981-020. Proposed technical revision no. 28 will expand the permit boundary to include a reclaimed road.
The Munger Canyon Mine is located approximately 18 miles north of Loma, CO along State Highway 139. East Salt Creek is located on western portion of the permit boundary. Most of the surface of the permit area is owned by the United States. The permit area is encompassed within portions of Sections 27, 28 and 29 of Township 7 South, Range 102 West, 6th P.M.. A portion of the permit area in section 29 is owned by #11 Enterprises.
The mine site sections are contained within the U.S. Geological Survey 7.5 minute Howard Canyon and Garvey Canyon Quadrangle maps.
A copy of the technical revision application is available for public inspection at the Mesa County Clerk and Recorder's office, 200 S Spruce St., Grand Junction, CO. A copy of the approved permit application document, as well as the technical revision application, are available at the Denver office of the Division of Reclamation, Mining and Safety (Room 215, 1313 Sherman St., Denver, CO 80203, (303) 866-3567). Written comments regarding this application may be submitted to and additional information may be obtained from the Denver office of Division of Reclamation, Mining and Safety. Written comments must be received by the Division of Reclamation, Mining and Safety within 10 days after the date of this publication in order to be considered.
