RE: Detroit City Mine; DRMS File No. P-2016-002; Notice of Incomplete Release Request

Dear Mr. Langenfeld,

On October 20, 2017, the Division received your request for reclamation responsibility release for the Detroit City Mine, File No. P-2016-002. The release request did not conform to the requirements of Rule 4.16.1(2). In order for the Division to consider the request for reclamation responsibility release, the Reclamation Report must be sent by Certified Mail and must include the following:

- a) The name of the operation, the name of the Operator, file number of the Prospecting Notice of Intent and the name, mailing address and phone number of the contact person.
- b) A signed statement by the Prospector that all reclamation requirements of the prospecting notice have been satisfied.
- c) A narrative describing site grading, topsoil replacement, successful revegetation and other stabilization activities, as appropriate.
- d) Suitable photographs of the reclaimed area.
- e) A map of sufficient detail to determine the location of the prospecting activity.

The request for release will not be considered to be complete until the above listed information has been submitted to the Division.

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham
Environmental Protection Specialist

CC: Wally Erickson, DRMS
