RE: Permit #M2017036  
Site Name: Knox Pit

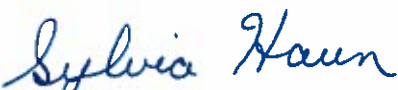

Dear Sirs,

I am opposed to the above the above permit due to the close proximity of properties in the vicinity of the project. All the resident of LaPorte will be impacted by the traffic, noise, and pollution that will result from the operation. It will also reduce the value of our properties, and impact the enjoyment of our environment.

I respectfully request that you deny this permit.

Thank you.

Respectfully submitted,

  
Sylvia Haun
