Project: #5115-17P

Subject: Perkins Pit M2006-016 Request for Extension

Dear Mr. Lucas:

I am writing on behalf of Casey McClellan and McStone Aggregates/Four States Aggregate to request an extension of the response date of 15 November 2017 for corrective actions at the two sites. Further delays and a shortage of personnel have delayed the work. While we plan to get the work done today, we feel it best to get an extension

We are asking for an extension to Friday, 15th of December, 2017. Please contact me with any questions.

Sincerely,

Nathan A. Barton, CE, PE, DEE
Environmental and Permitting Compliance Engineer
