**Re: Gold Hill Mill, Permit No. M-1994-117, Approval of 2<sup>nd</sup> Corrective Action Deadline Extension**

Mr. Bynum:

On November 10, 2017, the Division of Reclamation, Mining, and Safety (Division) received your request to extend the Corrective Action deadline for a problem identified during the August 1, 2017 inspection of the Gold Hill Mill regarding presence of state-listed noxious weeds.

The Division has approved your request to extend the deadline to **November 24, 2017**. By that date, either demonstrate the approved weed control plan has been implemented at the site, or develop a weed control plan and submit it as a Technical Revision to the permit.

If you have any questions, please contact me by telephone at 303-866-3567, ext. 8129, or by email at [amy.eschberger@state.co.us](mailto:amy.eschberger@state.co.us).
