Re: Vick Borrow Pit Permit No. M-2010-048  
Technical Revision

Dear Mr. Cazier,

In response to your November 16, 2017 letter on the above referenced permit.

We contacted the Lincoln County Extension Office but was unable to reach anyone with knowledge of our issue, so we contacted Centennial Ag Supply who provided us with the following information and recommendation:

CRCC offers the following information to your General Comments #2:

- A. CRCC will be using WideMatch® Herbicide to Spray the Canadian Thistles.
- B. This product according to Centennial Ag's Agronomist does not require a licensed applicator.

Sincerely,

Darren Janssen  
Grading General Superintendent
