**Re: Deficiency Deadline Extension Request Approval
110(1) Hardrock Application, Q-2, File No. M-2017-046**

Dear Mr. Pollack,

On November 21, 2017, the Division of Reclamation, Mining and Safety (Division) received your request to extend the deadline in order to address the September 29, 2017 Notice of Deficiencies for 110(1) Permit Application for the Q-2 operation, File No. M-2017-046, by 30 days. The Division hereby approves the extension request to December 27, 2017.

If you need additional information or have any questions, please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8132**, or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
Environmental Protection Specialist
