RE: Detroit City Mine; DRMS File P-2016-002; Surety Release Request (SL01)

The Division received a surety release request for the Detroit City Mine NOI, File No. P-2016-002 on November 20, 2017. The disturbance created under the NOI has been incorporated into the permit area for the 110(1) Hard Rock Reclamation Permit for Detroit City Mine, File No. M-2017-003, which was issued on July 17, 2017. All reclamation liability is covered under the Performance and Financial Warranties for the Detroit City Mine (M-2017-003) operation. Therefore, an inspection of the lands associated with the NOI is not necessary to release the financial warranty posted for the Detroit City Mine NOI.
