**RE: Colorado Red Rose Stone Resource, M-2013-068
Notice of Withdraw of Formal Board Hearing for NOV, MV-2017-017**

Dear Mr. Liesveld:

On November 9, 2017 the Colorado Division of Reclamation, Mining, and Safety (Division or Office), sent you a Notice of Violation (No. MV-2017-017), Civil Penalties, Cease and Desist Order and Notice of Formal Board Hearing for the above referenced site. The reason for the violation was for failure to submit the required Annual Reports, Maps and Fees for the 2016 and 2017 reporting year.

On November 20, 2017 the Division received the delinquent Annual Report, Map and Fee for the 2016 reporting year. I spoke with Tony Waldron the Minerals Program Manager and he has agreed to waive the \$504.00 civil penalty assessed for Violation No. MV-2017-017. The Division will consider Violation No. MV-2017-017 abated at this time and has withdrawn the Formal Board Hearing scheduled during the December 13 and 14, 2017 Board meeting.

However, the Division has not received the Annual Report, Map and Fee for the 2017 reporting year (October 31, 2016 to October 31, 2017). These items were due on October 31, 2017. In accordance with C.R.S. 34-32.5-116(3)(b), where an operator is late in payment of the annual fee by greater than sixty days, the Office shall set the matter for a hearing before the board for permit revocation and forfeiture of the financial warranty. Given this, please submit the Annual Report, Map and Fee for the 2017 reporting year by December 30, 2017.

If you have any questions feel free to contact me at (303) 866-3567, extension 8120.

Sincerely,

Jared Ebert
Environmental Protection Specialist III
