**Re: Gold Hill Mill, Permit No. M-1994-117, Receipt of Corrective Action Documentation,  
Weed Control Plan**

Mr. Bynum:

On November 24, 2017, the Division of Reclamation, Mining, and Safety (Division) received your Corrective Action regarding the problem identified during the inspection conducted at the Gold Hill Mill site on August 1, 2017. The status of the Corrective Action associated with this problem is as follows:

Corrective Action Documentation: The operator submitted a Weed Control Plan in the form of a Technical Revision to the approved plan, including the appropriate fee.

Corrective Action Status: The Division considers the problem to be abated. However, upon approval of the Technical Revision, the operator shall implement the approved weed control plan at the site.
