RE: Barefoot LLC
DMG Permit Renewal; M-1982-015

Dear Mr. Hays,

Magellan Pipeline Company, L.P is aware of Barefoot LLC's existing slurry wall that was constructed and recently repaired around the ponds (former gravel pits) north of St. Vrain Creek and east of Interstate 25. We understand that a Division of Reclamation, Mining and Safety permit renewal is required for the slurry wall's recent repair.

It is our understanding that the slurry wall construction/repair has had no negative effect on our utility. It is also our understanding that the Applicant, Barefoot LLC, is ultimately liable for operations pertaining to the reclamation of the ponds and agrees to compensate any damages to any utility's structure.
