Louis -

I need one more week on the Lorencito renewal, RN-04. Can you please request an extension to December 8?

By the way, did you say that NECC has no issues with the cost estimate (RCE) related to RN-04?

Thanks in advance for your cooperation.

Rob

I was mistaken. Looks more like 30 days because Jim needs to review the findings and he is swamped. Let's say December 29th. Thanks.

Any big news related to New Elk?

Rob,

New Elk requests an extension of Lorencito RN-4 through Dec 29, 2017.

No news at this point, however I have been out of the office this week with MSHA instructor cert. Will update when I get back in next week.

Thanks,

Louis
