Ms. Eschberger,

As a resident in the Southwest Highway 115 area, I object to Transit Mix Concrete Company's (TM's) application M2017-049 to establish a quarry on Hitch

The application jeopardizes the water resources of local residents, fails to protect critical wildlife habitat, and violates the easement rights of several proper Road. I urge the Mine Land Reclamation Board (MLRB) to deny TM's application.

I request that both the Pre-hearing Conference and MLRB Hearing be conducted in Colorado Springs.

Signed,

Mary Ann Hartman
