**RE: M & G Pit, M-1986-079, Succession of Operators/Permit Transfer Application (SO03)
Notice of Receipt of Complete Application**

Dear Mr. Carlson,

The Colorado Division of Reclamation, Mining, and Safety (Division) received a Transfer of Minerals Permit and Succession of Operators application (SO03) on August 14, 2017. Originally, the application was deemed incomplete. On December 4, 2017, the Division received the documents necessary to deem the SO-03 application complete.

In accordance with Page 6 of the application, you have waived your right to a thirty (30) day decision for the application. The Division will be contacting you to coordinate an onsite inspection to allow the Division to calculate the required financial warranty for the site. The Division will also review the engineering analysis submitted on December 4, 2017

If you have any questions feel free to contact me at (303) 866-3567, extension 8120.

Sincerely,

Jared Ebert
Environmental Protection Specialist III
