Ms. Eschberger,

As a property owner and soon to be resident in the Southwest Highway 115 area, I strongly object to Transit Mix Concrete Company's (TM's) application M2017-049 to establish a quarry on Hitch Rack Ranch.

The application jeopardizes the water resources of local residents, fails to protect critical wildlife habitat, and violates the easement rights of several property owners along Little Turkey Creek Road. I urge the Mine Land Reclamation Board (MLRB) to deny TM's application.

I request that both the Pre-hearing Conference and MLRB Hearing be conducted in Colorado Springs.

Your truly,

Mark Norman
