Amy,

Attached are objection letters from my family and myself to the proposed Hitch Rack Ranch Quarry. I cannot express my objection to this strong enough but as a resident of Red Rock Valley, we all hope you understand and support us. Feel free to contact me if there are any questions.

Sincerely,

Ms. Eschberger,

As a property owner/resident in the Southwest Highway 115 area, I object to Transit Mix Concrete Company's (TM's) application M2017-049 to establish a quarry on Hitch Rack Ranch.

The application jeopardizes the water resources of local residents, fails to protect critical wildlife habitat, and violates the easement rights of several property owners along Little Turkey Creek Road. I urge the Mine Land Reclamation Board (MLRB) to deny TM's application.

I request that both the Pre-hearing Conference and MLRB Hearing be conducted in Colorado Springs.

Regards,
