Amy

Regarding Mr. Bradley's letter of support for Transit Mix "on behalf of the Colorado Mountain Reclamation Fund". Please be advised that the organization was voluntarily dissolved in the State of Colorado in 2011. I would submit that the letter was written under false pretenses and should be disregarded and removed from the file.

Hi Martin,

I understand your concern. However, we must add all letters received to the permit file regardless of whom they are from.

I did look over the letter you referenced and I see nothing in the letter that implies the fund is still in existence. Mr. Bradley states he was "past president and director", and continues to use past tense language throughout the letter. It appears this fund was created for a specific purpose, and perhaps dissolved once it accomplished its goals.

Thanks,

Ok, well I thought it was weird he was writing on behalf of a group that doesn't exist. In his letter he says when the group was created, but not that it was dissolved 6 years ago. Our questioning the propriety of his letter will be in the file also, correct?
