Ms. Eschberger,

I am a property owner within the Eagles Nest development located to the west of the proposed quarry.

I object to Transit Mix Concrete Company's application M2017-049 to establish a quarry on Hitch Rack Ranch.

The application fails to protect water resources, wildlife habitat and the easement rights of property owners along Little Turkey Creek Road. Specifically, my only access to my home within the canyon is via Little Turkey Creek Road. There is no conceivable way that mining, and especially blasting, operations can be conducted at the proposed quarry site without disrupting access to my home.

I urge the Colorado Mined Land Reclamation Board (MLRB) to deny the application.

I request that both the Pre-hearing Conference and MLRB Hearing be conducted in Colorado Springs.

Sincerely,
