To Whom It May Concern:

I OBJECT to M2017-049. This is a plea to stop the Transit Mix Concrete Company from mining on the proposed Hitch Rack Ranch Quarry by denying this permit.

Are our lands, air, and life-sustaining water (aquifer or otherwise) for human and animal use or are they a commodity for the highest bidder to mine, pollute, exploit, or use as he, she, or they see fit? I am pleading for our aquifer, water, air, land, wildlife, wildlife habitat, lungs, peace of mind, vegetation, quality of life: please do not approve the application for Reclamation Permit, Hitch Rack Ranch Quarry M2017-049 to Transit Mix Concrete Company.

Do the Right Thing for God's Creation. Do the Right Thing for our children, for their children, for the future, for us ALL. DO THE RIGHT THING: Deny the permit to M2017-049.

Signed,
Deidra Steen
