Letter of Objection Hitch Rack Quarry

Permit # M2017-049

Ms. Eschberger,

We purchased 35 acres and built a home seven years ago off Hwy. 115 near the Hitch Rack Ranch proposed quarry. We have a well for a water source. We enjoy the peace and tranquility the land provides as well as the abundant wildlife. We even enjoy the drive along Hwy. 115 as we make way to Colorado Springs. In the last two years, highway 115 has experienced double the amount of gravel truck traffic. Our plan is to retire within the next two years. Our lifelong dream of retiring in a peaceful, picturesque, rural setting is looking more like a nightmare! This application jeopardizes the water resources of local residents, fails to protect critical wildlife habitat & violates easement rights of property owners along Little Turkey Creek Rd. **I urge the MLRB to deny TM's application.**

Thanks,

David A and Deborah Tomme
