Hello:

As a lover of nature, a birder, and a visitor to the Aiken Canyon Preserve, I am opposed and highly object to the proposed quarry. The Aiken Canyon Preserve is a critical habitat and a Nature Conservancy Property. The new road and the mining that will take place in the proposed quarry will have a negative impact on the wildlife in many ways. I believe that permit # M2017-049 should not be granted.

Thank you for your time and consideration.
