Ms. Amy Eschberger
Colorado Division of Reclamation, Mining and Safety
1313 Sherman Street, Room 215

Denver, CO 80203

Subject: Objection to Permit M2017-049

Ms. Eschberger,

My father-in-law, Pete White, built our cabin on the little turkey creek road in 1965. My father, Bob Davidson, is the current owner of the cabin. My wife and I will inherit it some day. This piece of property is invaluable to us because of the years and years of memories that we share on this beautiful mountain.

. We object to Transit Mix Concrete Company's application M2017-049 to establish a quarry on Hitch Rack Ranch. It will change forever the beautiful

The application fails to protect water resources, wildlife habitat and the easement rights of several property owners along Little Turkey Creek Road.

I urge the Colorado Mined Land Reclamation Board (MLRB) to deny the application.

I request that both the Pre-hearing Conference and MLRB Hearing be conducted in Colorado Springs.

Sincerely,

Kenny and Susan Davidson
