Objection from co.owners Barbara Hughes and Judy Kline re parcel at [2140 little Turkey Creek road](#).our access will be affected by the proposed quarry among other deleterious consequences. The revised application does not adequately address the impact to the access road and does not adequately protect ground water and wells. We object to the proposed application. Barbara Hughes and Judith Kline, [3011 Springridge Drive, Colorado Springs, CO 80906. 719.963.2961](#)
