**RE: Notice of Incorrect Annual Fee Invoicing, W-9 Request for Refund
Shults Gravel Pit, Permit No. M-2000-073**

Dear David Bowers,

As previously discussed, it has come to the attention of the Division of Reclamation, Mining and Safety (Division) that the assigned annual fee for the Shults Gravel Pit, Permit No. M-2000-073, is incorrect. Pursuant to C.R.S 34-32.5-125(1)(b)(I), the annual fee for a 110c operation is \$323.00, however, the Division has been incorrectly invoicing you an annual fee of \$791.00 for four years. The Division sincerely apologizes for this inconvenience and in order to correct the situation, is refunding you the excess which has been paid to date.

For the Division to process your refund of \$1,872.00, please complete and return the enclosed W-9 for XTO Energy, Inc. no later than **January 31, 2018**. Your refund will be mailed to the address provided on your completed W-9.

You may return the W-9 by fax to (303) 832-8106 or email to barbara.coria@state.co.us or by US Mail to State of Colorado, Division of Reclamation, Mining and Safety, 1313 Sherman Street Room 215, Attn: Barbara Coria, Denver, CO 80203. Please include a copy of this letter with the W-9.

The error has been fixed and the annual fee assigned to your 110c permit is now set at \$323.00 in accordance with C.R.S 34-32.5-125(1)(b)(I).

If you need additional information or have any questions, please contact the Division at 303-866-3567.

Sincerely,

Tony Waldron
Minerals Program Supervisor
