**RE: Notice of Incorrect Annual Fee Invoicing
Refuge Pit #1, Permit No. M-1989-112**

Dear Dan Miller,

It has come to the attention of the Division of Reclamation, Mining and Safety (Division) that the assigned annual fee for the Refuge Pit #1, Permit No. M-1989-112, is incorrect. Pursuant to C.R.S 34-32.5-125(1)(b)(II), the annual fee for a 112c operation is \$791.00, however, the Division has been incorrectly invoicing you an annual fee of \$323.00 for three years (2014-2016). As this was the Division's error, the outstanding \$1,404.00 has been waived. **The error has been fixed and the annual fee assigned to your 112c permit is now set at \$791.00 in accordance with C.R.S 34-32.5-125(1)(b)(II).**

Please note, the Division corrected this error prior to sending you the 2017 Annual Report, Map and Fee Invoice. Therefore, the 2017 annual fee, received December 4, 2017, was in the correct amount.

If you need additional information or have any questions, please contact the Division at 303-866-3567.

Sincerely,

Tony Waldron
Minerals Program Supervisor
