**RE: Notice of Incorrect Annual Fee Invoicing
Yocam Pit, Permit No. M-1999-060**

Dear Phil Dorenkamp,

It has come to the attention of the Division of Reclamation, Mining and Safety (Division) that the assigned annual fee for the Yocam Pit, Permit No. M-1999-060, is incorrect. Pursuant to C.R.S 34-32.5-125(1)(b)(II), the annual fee for a 112c operation is \$791.00, however, the Division has been incorrectly invoicing you an annual fee of \$323.00 for two years. As this was the Division's error, the outstanding \$936.00 has been waived. **The error has been fixed and the annual fee assigned to your 112c permit is now set at \$791.00 in accordance with C.R.S 34-32.5-125(1)(b)(II).**

If you need additional information or have any questions, please contact the Division at 303-866-3567.

Sincerely,

Tony Waldron
Minerals Program Supervisor
