**RE: Notice of Incorrect Annual Fee Invoicing, Macanite #VII & #VIII, Permit No. M-2014-041**

Dear Russell Painter,

It has come to the attention of the Division of Reclamation, Mining and Safety (Division) that the assigned annual fee for the Macanite #VII & #VIII, Permit No. M-2014-041, is incorrect. Pursuant to C.R.S 34-32-127(2)(a)(IV)(A.5), the annual fee for a 110(1) operation is \$172.00, however, the Division has been incorrectly invoicing you an annual fee of \$86.00 for two years. As this was the Division's error, the outstanding \$172.00 has been waived. **The error has been fixed and the annual fee assigned to your 110(1) permit is now set at \$172.00 in accordance with C.R.S 34-32-127(2)(a)(IV)(A.5).**

If you need additional information or have any questions, please contact the Division at 303-866-3567.

Sincerely,

Tony Waldron  
Minerals Program Supervisor
