**RE: Notice of Incorrect Annual Fee Invoicing
Mineral Mountain Project, Permit No. M-2014-045**

Dear Lance Barker,

It has come to the attention of the Division of Reclamation, Mining and Safety (Division) that the assigned annual fee for the Mineral Mountain Project, Permit No. M-2014-045, is incorrect. Pursuant to C.R.S 34-32-127(2)(a)(IV)(F), the annual fee for a 110d operation is \$518.00, however, the Division has been incorrectly invoicing you an annual fee of \$259.00 for two years. As this was the Division's error, the outstanding \$518.00 has been waived. **The error has been fixed and the annual fee assigned to your 110d permit is now set at \$518.00 in accordance with C.R.S 34-32-127(2)(a)(IV)(F).**

If you need additional information or have any questions, please contact the Division at 303-866-3567.

Sincerely,

Tony Waldron
Minerals Program Supervisor
