**Re: Scott Blue II, Permit No. M-2007-031
110(2) Hardrock Amendment Application (AM-01)**

Dear Mr. Scott:

On December 26, 2017, the Division of Reclamation, Mining and Safety received your 110(2) Hard Rock/Metal Mining Reclamation Permit Amendment Application (AM-01) for the Scott Blue II, located in Teller County. All comment and review periods began on December 26, 2017. The decision date for your application is scheduled for January 25, 2018.

Newspaper publication of a notice (published once) regarding the filing of your application and transmittal of a copy of the notice to all owners of record of surface and mineral rights of the affected land and the owners of record of all land surface within 200 feet of the boundary of the affected land, this includes all easement holders located on the affected land and within 200 feet of the boundary of the affected land, is required within 10 days of submittal. You must submit proof of the notice and mailings, such as Certified Mail Return Receipt Requested, to the Division prior to the decision date.

The Division is reviewing your application to determine whether it is adequate to meet the requirements of the Act. We will contact you if additional information is needed. Any changes or additions to the application on file in our office must also be reflected in the public review copy which has been placed with the Teller County Clerk and Recorder.

Please be reminded that all operators must contact the Colorado Department of Health, Water Quality Control Division regarding storm water permits.

If you have any questions, please contact me.

Sincerely,

Elliott R. Russell
