Re: Structure Agreement – County Roads 26 and 26A, Ouray County, Colorado

This letter has been provided to you as an owner of a structure within two hundred (200) feet of a mine site. The Colorado Division of Reclamation, Mining and Safety requires that where a mining operation could affect the stability of any significant, valuable and/or permanent man-made structure located within two hundred (200) feet of the affected land, the Permit Applicant shall provide a notarized agreement between the two parties. Portions of County Roads 26 and 26A are within 200 feet of the Ruby Trust Mine.

CERTIFICATION

The Permit Applicant, Walker Ruby Mining Company, Inc. by Bryan L. Walker, as Vice President, does hereby certify that Ouray County shall be compensated for any damage from the mining operation at the Ruby Trust Mine to the above-identified structures that are located within 200 feet of the mine site described within the Permit Transfer Application for the Ruby Trust Mine, Permit Number M-1979-181.
