RE: Eagle Mine, File No. M-2011-029 , Request for Updated Contact Information

Dear Mr. Dennis:

The Division of Reclamation Mining and Safety (Division) had been made aware that Martin Bauer no longer represents Jubilee Venture, Inc. Furthermore the address and phone number we have on file is no longer current. Per Rule 1.16 it is your responsibility to notify the Division.

1.16 ADDRESS CHANGE, SALE OF PROPERTY BY AN OPERATOR, OR BUSINESS NAME OR OWNERSHIP CHANGE, AND NOTICE OF FILING OF A PETITION IN BANKRUPTCY

(1) It shall be the duty of the Operator to keep the Office notified of any mailing address change by promptly sending written notice of such change to the Office. The Office is entitled to assume, in the absence of such Notice, that it may proceed with the last previous address provided by the Operator, and the Operator will be bound by such Notice as if actually received.

(2) Where an Operator is the owner of the lands to be mined and the Operator sells such lands, the Operator shall promptly notify the Office of such sale.

(3) Where an Operator's official business name changes or there is a change in business ownership or business form, the Operator shall contact the Office within 30 days of such change in order to revise performance and financial warranty documents and complete the Succession of Operator forms.

(4) Where an Operator files a petition in bankruptcy, the Operator shall immediately notify the Office via certified mail of such filing.

To resolve this problem you will need to do one of the following;

Option 1) if the company name remains Jubilee Ventures, Inc. then please provide the Division with updated contact information. Submit a letter to the address below, include the permit number, contact person, address, phone number and email address.

OR

Option 2) if the company name has changed you will need to transfer the permit to the new company. A 'Request for Transfer of Mineral Permit and Succession of Operators Application Packet' is enclosed.

Please submit the corrective action information by **Friday, February 16, 2018.**

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 970-254-8511 or via email at amy.yeldell@state.co.us
