I just checked in the Clerk's Office and I must have accidentally switched the maps that were supposed to go there with what I sent to you. If needed, I can make color copies and send you colored maps today.

Thanks,

Trey

Hi Trey,

I did get the changes. I plan to review them in detail today. I had intended to call you yesterday about the figures/maps. I noticed they were all submitted in gray scale instead of color. I was curious as to why we did not get color versions of the updated maps.

Hi Tim,

With the decision date coming up next week on the Gaede Pit Expansion, I wanted to check in with to confirm that you got the changes I sent in and to see if there's anything else I need to do?

Thanks,
