**Re: Notice of Informal Public Meeting for February 26, 2018
Application for 112 Construction Materials Reclamation Permit
Transit Mix Concrete Co., Hitch Rack Ranch Quarry, File No. M-2017-049**

Dear Party or Interested Person:

The Division of Reclamation, Mining and Safety (Division) appreciates you taking time to participate in the review process of the above referenced permit application. The application for the Hitch Rack Ranch Quarry was filed with the Division on November 9, 2017 by Transit Mix Concrete Co. (Transit Mix). The review period for the application is currently scheduled to close on March 30, 2018.

The application will be scheduled for consideration by the Colorado Mined Land Reclamation Board (Board) at the April 25-26, 2018 Board meeting. A pre-hearing conference will be held after the Division has issued its written recommendation on the application and at least ten calendar days prior to the formal Board hearing. Official notice of the date, time, and location for the pre-hearing conference and formal Board hearing will be provided to all parties and interested persons who are receiving this notice.

An explanation of the Division's review process, your rights as either a party or non-party, and the jurisdiction of the Board is provided in a 12-page memorandum, Guide to Citizen Participation, last revised January 12, 2006, which is available through the Division's web site at <http://mining.state.co.us>, specifically at this link: <http://mining.state.co.us/SiteCollectionDocuments/112processmemoFinal.pdf>.

Due to the number of parties and interested persons involved with this application, the Division has scheduled an informal public meeting to occur in Colorado Springs.

Event:	Informal Public Meeting
Date:	Monday, February 26, 2018
Time:	12:00 pm – 3:00 pm
Location:	Centennial Hall Auditorium 200 South Cascade Avenue Colorado Springs, CO 80903

A parking garage is located just west of the Auditorium off Sahwatch Street, which may require a fee.

During the informal meeting, the Division will present the following information:

- Explain the reclamation permit application review process
- Identify the issues which the Mined Land Reclamation Board has statutory jurisdiction to address under the Colorado Land Reclamation Act for the Extraction of Construction Materials, C.R.S. § 34-32.5-101, et seq.
- Describe party status
- Explain the pre-hearing conference process
- Explain the formal Board hearing process

During the meeting, attendees will have the opportunity to ask questions of Division staff. However, individual speaking times may be limited due to time constraints.

Any person who submits a written comment during the public comment period for the application has standing for party status. Party status is subsequently maintained by participating in the pre-hearing conference and formal Board hearing. However, the public meeting to be held on February 26, 2018 is informal and has no bearing on party status. Parties are not required to participate in the informal meeting on February 26, 2018 in order to maintain their party status.

If you have any questions, please contact me at the Division of Reclamation, Mining and Safety at 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist

Notice of Informal Public Meeting for File No. M-2017-049
