RE: Conger Harvesting Area, Permit # M-1998-022, Complaint Regarding Right-to-Enter

Mr. Woodworth:

On December 26, 2017 the Division of Reclamation, Mining and Safety (Division) received a letter of complaint (attached) from Bob Raymond regarding the operator's loss of legal right to enter the affected area to conduct mining and reclamation activities.

Within thirty days, please inform the Division of the status of The Gallegos Corporation's legal right to enter the site to conduct mining and reclamation.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla
