SUBJECT: Permit No. M-2006-078
111 Annual Fee Invoice and Annual Report

Flatiron Constructors, Inc hereby submits its 2016 Annual Report for the Camenish Borrow, Pit Number M-2006-078. A Check in the amount of \$504 is included herein for the 2016 annual fee.

Stripping of overburden material and export of material from the Camenish Borrow Pit began at the beginning of May 2007 for the Colorado Department of Transportation, I-25 Widening Project No. IM-0253-160. Currently, all mining work has been completed. Reclamation work at the pit is complete with perimeter sealing from the surrounding alluvium with compacted core with approval of compacted clay liner from the State Engineer's Office.
