Good Morning Amy!

Attached are the responses to your reviews for M-1987-079 and M-1999-005. John Paul is not available all week, so I went ahead and signed everything so I could meet the deadline. If there are any issues with this, please let me know. I am sending the hardcopy today.

Thank you,

*Jodi Schreiber*

RE: Technical Revision (TR-02) Adequacy Review Response, Lamar Pit, Permit File No. M-1987-079

Ms. Eschberger,

In response to your letter dated January 26<sup>th</sup>, 2018, All Rite Paving and Redi Mix intends to remove all exposed rebar from aged concrete used for backfill material. This will reduce potential oxidation. I have also attached a signed affidavit ensuring that all materials imported to the site for backfilling will be clean and inert.

If you need further information or clarification, please feel free to contact me.

Sincerely,

Jodi Schreiber  
Chief of Operations
