RE: Technical Revision (TR-05) Adequacy Review Response, Pueblo East Pit, Permit File No. M-2000-041

Mr. Russell,

In response to your letter dated January 24th, 2018, Fremont Paving and Redi Mix intends to remove all exposed rebar from aged concrete used for backfill material. This will reduce potential oxidation. I have also attached a signed affidavit ensuring that all materials imported to the site for backfilling will be clean and inert.

If you need further information or clarification, please feel free to contact me.

Sincerely,

Jodi Schreiber
Chief of Operations
