Jerry,

The Hayden Gulch Loadout RN-5 has been extended to February 9, 2018.

Please let me know if you have any questions or comments.

Thanks,
Jason

Jason –

Per our conversations, it sounds like there may be a minor delay in finalizing the HG Renewal Decision document, so to allow adequate time for final review and approval of the decision, please extend the decision date to 02/09/18 –

Best regards,

Jerry
