Re: Decision Date Extension Approval, 110(1) Hardrock Application, Q-2, File No. M-2017-046

Dear Mr. Pollack,

On February 5, 2018, the Division of Reclamation, Mining and Safety (Division) received your request to extend the decision date for the 110(1) Limited Impact Operation Reclamation Permit Application for the Q-2, File No. M-2017-046, by 30 days. The Division hereby approves the extension request and the decision date has been set for March 12, 2018.

If you need additional information or have any questions, please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8132**, or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
Environmental Protection Specialist
