**Re: Cripple Creek & Victor Mining, Co., Cresson Project, M-1980-244;
Approval for High Grade Mill Platform Extension Record of Construction Report,
Concentrate Shipping, TR-89 (Earthworks)**

Dear Mr. Schaffner:

The Division of Reclamation, Mining and Safety (Division) has received your February 8, 2018 Responses to the Division's February 6, 2018 review comments related to the High Grade Mill Platform Extension Record of Construction Report received January 4, 2018. The hand delivered responses are considered adequate.

The construction of the High Grade Mill Platform Extension was determined to be in compliance with the approved specifications. The Certification is accepted by the Division pursuant to Rule 7.3.2 of the Mineral Rules and Regulations of The Colorado Mined Land Reclamation Board for Hard Rock, Metal, and Designated Mining Operations.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,

Timothy A. Cazier, P.E.
