**RE: City of Greeley; 25<sup>th</sup> Avenue Site; File No. M-2002-020 Technical Revision No. 1 (TR-01);  
Decision Date Extension Request**

Dear Mr. Hays:

The City of Greeley requests an extension to the decision date to complete the technical revision (TR-01) adequacy response and the Division's review for the 25<sup>th</sup> Avenue site. The city is completing some additional modeling to make sure our design is complete before we provide the information requested in the Division's Aug. 30, 2017 TR01 Adequacy Letter. We estimate that it will take 3 or 4 months for us to complete that work.

Please call or email if you would like to discuss this. I can be contacted at [dan.moore@greeleygov.com](mailto:dan.moore@greeleygov.com) or (970) 350-9209.

Best regards,
