**Re: City of Greeley; 25th Avenue Site; File No. M-2002-020
Technical Revision No. 1 (TR-01); Decision Date Extension Request Approval**

Mr. Moore,

The Division of Reclamation, Mining and Safety (Division/DRMS) has received and approved the third request for an extension to the decision date to complete the technical revision (TR-01) adequacy response and the Division's review for the 25th Avenue Site.

The new decision date is June 13, 2018.

The Operator's request to extend the decision date nullifies the automatically approval provision in Rule 1.9.1. If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,
