**Re: Cash & Who Do Mines, Permit No. M-1983-141, Receipt of Corrective Action Documentation,
Weed Control Plan**

Mr. Bynum:

On February 12, 2017, the Division of Reclamation, Mining, and Safety (Division) received your Corrective Action regarding the problem identified during the inspection conducted at the Cash & Who Do Mines site on August 1, 2017. The status of the Corrective Action associated with this problem is as follows:

Corrective Action Documentation: The operator submitted a Weed Control Plan in the form of a Technical Revision to the approved plan, including the appropriate fee.

Corrective Action Status: The Division considers the problem to be abated. However, upon approval of the Technical Revision, the operator shall implement the approved weed control plan at the site.
